

TUXEDO TENNIS CLUB NEWSLETTER

OTHER NEWS

Automated External Defibrillators (AEDs) are located in the clubhouse and Dr. Al Menkis has generously provided information sessions on the proper usage. Call the club to register because understanding the appropriate actions to take if someone has a cardiac arrest and being proficient in AED operation has the ability to save someone's life. Again, we encourage everyone to attend a session and hope these additional dates provide all members with an opportunity to learn.

CALL FOR VOLUNTEERS

We're looking to host a social bbq in June. Please contact the board if you are a **bbq master or party planner!**

SUPER LEAGUE

New to Tuxedo this season is the Winnipeg Tennis Elite Summer League. Watch the website for details as 10 marquee weekend summer matchups will be on display throughout the summer starting June 10.

Tuxedo Tennis Club WELCOME BACK Tuxedo Tennis Club

The Tuxedo Tennis Club is open and it's been so great to see so many happy and smiling faces out playing and enjoying the club.

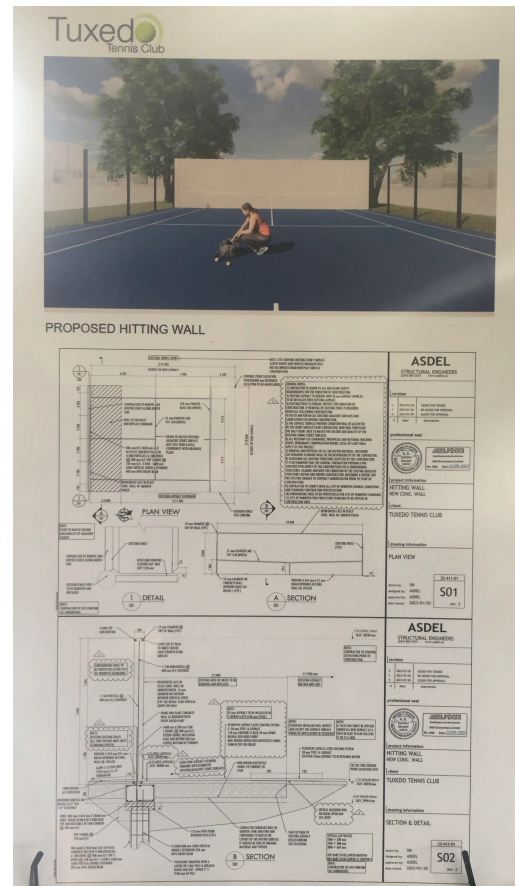

The TTC Board is excited to announce The Tuxedo Tennis Club Hitting Wall Project is underway!

Our contractor Westland Construction and our Engineers, ASDEL, are finalizing 'shop drawings' for the installation which will be sent forward to the City as a final piece of documentation required for review, as part of the Building Permit acquisition process.

You might have noticed some preliminary activities at the site as underground utilities are being marked out. Work on site is scheduled to start the first week of June.

There will be no construction vehicles on our member lot and access to the site for construction will all be from the lane to the north, so we should expect minimal disruption to our use of the tennis facilities, club house and courts.

Enjoy watching the construction, but please stay back from, and off of, the work areas at all times.

A Huge Thank you!

To those members who came out for a donut and helped get the club cleaned up, the banners hung and the courts ready for play! Thank you to all Volunteers!
