Summer Super League

The **Summer Super League** has had a couple weekends of competitive play. The league is going well, players are very happy with the format, the courts and the welcoming from the club. Keep your eye out for the weekly email highlighting the next feature game.

New Members

There is still room to join the Tuxedo Tennis Club for the 2023 season. Bring Friends!

"I came as a guest and was so impressed with all the activities going on around TTC that I just had to join as a member" Newest TTC member - Carlos.

Club Resources

Did you know that the club has a ball machine to rent? It's a great tool to master your shot. We tried it out this past weekend and it has many different settings to change the speed & direction making it

good for both forehand and backhand shots. It was a lot of fun. Try it out - contact the front desk.

TTC gets SOCIAL -

they came for a free dog and stayed for the good times

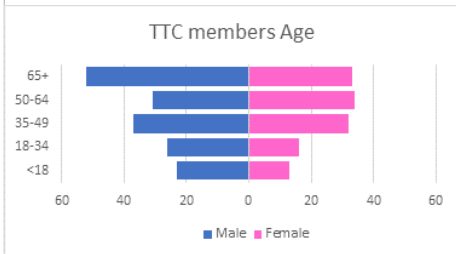

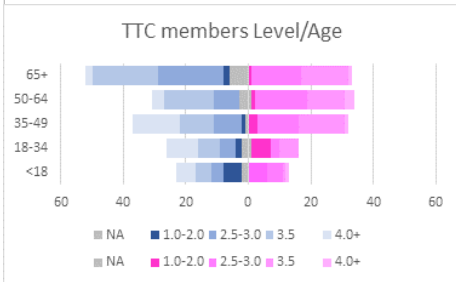

The first social event of the TTC 2023 Season was a huge success with a great turnout. The weather cooperated with bright skies and a very strong wind. Mixed doubles drop-in kept the tennis in it and the

wind made for some interesting shots. Nelly brought the tunes and hosted some fun tennis games on Courts 1 & 2. Jack and his volunteer crew Harold, Heather, Lauren & Ron had the sweet smell of

onions frying and dogs on the "Q" all night long. There was lots of laughs, a few dance moves, and a lot of tennis friends. Hopefully you made a contact and set up a match with someone new.

Thank you to everyone coming out and especially thanks to the volunteers and our amazing staff for roasting some juicy dogs, passing out cookies and getting everything organized and cleaned up.

New Staff

We couldn't agree more that having more staff is beneficial to everyone. There is a new face around the club - make sure to stop in and say hello to Paul who will be here right until the season end.

Lost & Found

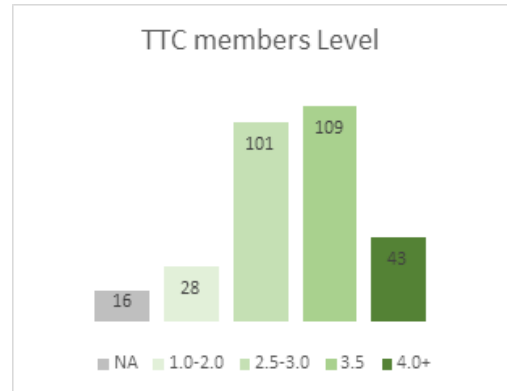

Are you missing your favourite pair of sunglasses, water bottle, what about a tennis racket? Next time you're at the clubhouse take a peek through the **Lost and Found**.

TTC Wants Partners

Are you a business owner looking for new ways to promote your product and services? The Tuxedo Tennis Club has a diverse membership of over 300 local people and families, and is a great place to reach those in our community. Consider partnering with TTC to really make a racquet and catch the attention of our members and guests. We have an opportunity to fit all needs from banners to swag to a plug in the newsletter, and more – contact tuxedotennisboard@gmail.com

We heard what you were saying – members survey results

We had some great suggestions and although it would be great to make all those dreams come true it is a bit of a juggling act to provide the diverse programming and regular upkeep and so a dome is not in the future:) Dream Big. There is some resistance to the round robin style of the drop-in programs, too many moving parts, and some suggestions on alternate styles. However, having the balls supplied is a hit! Overall, 57.3% of members that answered feel that the social events are beneficial to the club - with lots of great ideas for events. We are always looking for volunteers around the club and on the board. If you are interested in helping organize an event or spearhead a change in the style of play at drop in programs email tuxedotennisboard@gmail.com. One way to overcome shyness and find new tennis partners is get involved. We would love to hear from you. The member survey showed that we are hitting the mark with a good quality tennis facility in a safe, well maintained environment. The adjacent graphs show some of the membership breakdown for the TTC in 2023.
