Hitting Wall Update

The hitting wall is expected to be completed by the end of August. A special addition in Summer 2024 will be a mural on the North side. In partnership with Take Pride Winnipeg, we are in preliminary discussions with a renowned Winnipeg mural artist, Michel Saint Hilaire. Please mark **September 11, 2023 at 7 - 8 pm** in your calendars and come on down to the club for a piece of cake, mingle with members and a ribbon cutting ceremony with Special Guests.

Club Resources

Did you know ... that TTC has our very own equipment specialist as a member. He's just a guy that likes to make videos with his friend Simon about all things tennis. Check out Beckett Chung Creative Director and Founding Partner

Did you know ... that TTC has recently acquired a radar gun. Practicing up for the ACE serve - stop in the club and ask to use the radar gun see what speed your coming in at.

It's a Wrap - Tournament Success!!

The annual Club Tournament was a huge success. Two final games went into a nail biting tie break after an exhausting 10 games. Overall, more than 60 matches were played in the heat and wind. Thanks to all the athletes for your amazing performance and especially to Kris P for her patience and experience to distribute the events and make the schedule work all weekend long. There was lots of smiles and some fierce competition - players drew on family and friends to support them and make for a roaring crowd in the stands. It's a fun time and we encourage even more participation next year. Here's an insider tip from one of the top athletes pickle juice is good for cramps. A complete listing of the results can be found on the [website](#).

Take a look at all the [photos](#) from the tournament. Board member Nicolas Picaut sure did take some great shots!

Staff & Security

The Staff is starting to wind down, Lainie has gone back to University and Hockey and Lohit and Mike will return to school soon. We thank them for all their hard work with a happy attitude and dedication to creating a great organized atmosphere in the Club over the summer. Paul will still be with us for a few more weeks. With the limited staff hours through the fall - please make sure to double check that the doors, gates and lights are locked and off if you are the last to leave.

Volunteers

Hey members! We love "volunteering" and serving our community to bring tennis for everyone at this great little not-for profit club - please give a smile and wave to one of the many helping hands busy making this a gem of a club. We sure appreciate seeing smiling and happy members - let's make this work for everyone. Just play by the rules:). Have some ideas of what you'd like to see at the club, consider joining the board. We always have room for more enthusiasm!

Summer Super League

The **Summer Super League** has been a great addition to competitive tennis in Winnipeg and the TTC is so proud to have made it all happen. We would like to thank Nicolas Picaut for organizing and all the players for their performance and enthusiasm. Top two players will win a cash prize but we hope to see them all back again next year. It will be wrapping up this long weekend so, if you are in town, check out *hold my court* for times and swing by the Club to watch some competitive play. Check out what some of the players are saying about the Summer Super League.

"The Tuxedo Club and Courts are great!"

"The level of play is awesome thanks to the round robin format which allows us to perform without the pressure of being knocked out in case of a bad result."
