March 2025

Tuxedo Tennis Club congratulates Olivia Lu and Sneh Vyas on a great play at the junior tennis Mb championships! Olivia Lu is our Club Pro's current student while Sneh Vyas was coached by our Club Pro in the past.

Save the date for upcoming tournaments at TTC:

Tuxedo Junior Open
May 31- June 3 2025
Tuxedo Open
Sept 6 - Sept 9 2025

Also a friendly reminder that when members participate in TM Tournaments to name TTC as their club first. This will help to promote our club.

Hello to all Tuxedo Members and their families . We hope everyone had a good start to 2025. And how is it already March? As the temperatures are slowly rising we can start looking forward to the outdoor season at the Tuxedo Tennis Club. Here are a few updates on Programs , plans and changes to expect for the new season .

Message from Zone 4, 2025 membership online registrations!

The long-awaited tennis season is almost upon us. Our 2025 Tuxedo Tennis Club Membership registrations will be live online for purchase beginning on Wednesday, March 12, 2025. Please share this information with other members, family or friends who have interest in finding one of the best places to play the sport of tennis. Please refer to our Tuxedo Tennis Club website for our 2025 membership rates . Due to some major upgrades to our club, we are anticipating a strong membership turnout as the sport in our community and our club continue to draw some well-deserved attention! Thank you everyone for the continued support and we hope to see you all soon.

TTC Club Pro Nelly is back in full swing for the 10th season! Need a tune-up or improve a specific skill? The Academy coaching team is ready to help! Get in on the fun this spring with new 3T Tune-Up Drills at the start of the season! For 3T registrations, booking small group&private lessons, hitting sessions and any other inquiries about adult/junior programs and summer camps, email Nelly directly at ndtenniscanada@gmail.com or visit the ND Tennis Academy website <http://ndtenniscanada.com>

F.A.S.T. (FUN ADULT STARTER TENNIS)
Is back for 2025

F.A.S.T. is a beginner program designed for starter players to learn the fundamentals of tennis, including how to serve, rally and score, with adjusted court sizes and the use of progressive tennis balls. Once we get the ball rolling this spring, spread the word to friends, and log in to tuxedotennis.com for info on dates for 2025.

We are excited to see everyone back at TTC for a new season in 2025!!!

Court Lights are coming !

March 4, 2025

This spring we are on track to have lights available for all 6 courts. This is the result of hard work and dedication from the club Board, and the generous contribution of support from our friends at Stantec Engineering. Financial support has also been a driver for this project thru the Provincial Arts, Sports, Culture and Heritage ACSC grant, which provided 50% funding support for the project. The light project is part of the second phase of the club improvements. The hitting wall and half court improvements constructed last year are also an integral part of our club improvement plan. Members may recall that we received support from the City, through our Councillor Evan Duncan for the first phase of these works.

The light contract has been awarded to Oakpark Powerline Services Ltd, a local company. Weather and materials supply may impact our planned completion, however, we are planning for a completion by early May. Disruption to the courts and play time is planned to be limited, but any minor disruption will be well worth it

Looking for Board Member Volunteers

The Tuxedo Tennis Club has an opportunity for members interested in being part of the Board of Directors. We are looking for members that want to chart the course for the coming years. An executive position as club Secretary is available. It's a great way to learn how the club operates.

We also have an opportunity to join as a member at large. In this capacity you can work in any number of committee roles to suit your interests and volunteer time available.

For more information or just to learn more about a Board position, please email the club at tuxedotennisboard@gmail.com
